PETITION TO REVIVE UNDER 37 CFR §1.137(a)

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

Applicants respectfully petition the Commissioner to revive the above-referenced application under the circumstances of unavoidable abandonment due to failure to receive the Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) (hereinafter referred to "Notification"). Applicants enclose herewith a fee under 1.17(l). If any additional fee is required, Applicants authorize the debit of Deposit Account No. 02-2666.

When Applicants' representative did not received an Official Filing Receipt, Applicants' representative sent a Status Request mailed March 6, 2007 (see date stamped Exhibit A). Applicant's representative did not receive a response to the Status Request. On September 10, 2007, Applicants' representative called the PCT help desk clerk to inquire about the status of the above-referenced application. Applicants' representative found out that a Notification was issued on November 29, 2006, and a copy was faxed to Applicants' representative by the clerk. Applicants' representative states that the November 29, 2006 Notification was not previously received by the representative or the representative's firm. Applicants' representative conducted a search of the file jacket and docket records both of which indicate that the Notification was not

received. Applicants' representative firm maintains a docket database including an entry to monitor the receipt of communications received from the Patent Office. A copy of the relevant docket record is attached as Exhibit B.

Applicants respectfully petition that the application be revived under 37 CFR §1.137(a) for failure to receive Notification. In connection with the Petition, Applicants submit herewith a Response to Notice of Missing Requirements mailed November 29, 2006.

Applicants also submit herewith a fee for a three-month extension of time to respond to the Notification that Applicants did not receive. Applicants believe that had the Notification mailed November 29, 2006, been received, Applicants would have responded by January 29, 2007. If any further extension of time fee is necessary in light of this petition, Applicants hereby authorize the debit of Deposit Account No. 02-2666.

CONCLUSION

Applicants respectfully request that the Petition now revives the abandoned application and that the pending prosecution may continue.

If necessary, the Commissioner is hereby authorized in this, concurrent and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2666 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17, particularly extension of time fees.
